## Guidance notes

### Background

Special consideration is a post-exam adjustment made to a candidate's mark, by an awarding body, to make allowances for any adverse circumstances, for example illness, bereavement or temporary injury.

### Completing the form

- Complete a separate form for each syllabus.
- List all the components affected.
- You can submit one form in cases where a group of candidates has been disadvantaged by a particular event (for example, fire alarm). If you do, please submit a clearly titled list of the candidates' names and numbers along with this form.
- In cases where medical/psychological evidence is required, submit a clearly titled document with the application.

### Deadline

Please submit the special consideration application within seven days of the last exam in the syllabus affected.
